

TurFresh Inc. provides the following

# WARRANTY

for our artificial grass cleaning and restoration services:

TurFresh warrants that our Turf Technicians shall perform services in accordance with industry standards that are generally accepted throughout the artificial grass industry. TurFresh shall correctly reperform any substandard services without further cost to customer within a period of thirty (30) days subsequent to original turf cleaning service date and thirty (30) days for any TurfCare plan member with the exception of monthly members, or TurFix Turf Repair Projects. TurFresh has no obligation of duty to incur costs for corrective services that exceed original cost of service. Corrective action of service shall be the exclusive remedy of the customer, and the exclusive liability of TurFresh. Clients waive any other recovery.
